"RUBY ROBERT" AFTER CORBETT

Fitzsimmons Wants to Fight Again.

Freckled One Is Itching for Another Bout With Gentleman Jim.

Desires to Fight in New York, and Offers to Donate Proceeds to Charity.

NEW YORK, Dec. 26.-Again does Bob Fitzsimmons stalk out into the limelight with a most unusual proposition. Fitz's latest scheme is nothing less

tupendous than to fight James J. Cor-

The fact that boxing is prohibited in this State just at present does not feaze the sanguinary Bob.

He is confident of overcoming this, as well as many other obstacles by having the affair take place in the interests of some worthy charity.

So anxious is the kangaroo to again smear up Gentleman Jim that he is willing that 70 per cent of the gross receipts go to charity. From the other 30 per cent shall be deducted all the expenses of running the huge affair.

All Fitz wants out of it is carfare, says his business manager, Leon Friedman, who, by the way, is the supreme perpetrator of the—scheme (Nearly wrote dream).

perpetrator of the scheme. (Nearly wrote oream).
Robert J. Fitzsimmons was ever a credit to the boxing game, and aside from his oppermost desire—the battering of his ifelong enemy. Corbett—Fitz purposes that this fight shall be the means of having laws passed that will again permit boxing in New York State.
All the enemies of the sport are to be specially invited, and ringside seats provided for them. Ministers of the gospet, legislators who now frown on fisticuffs and all other opponents who have never seen any boxing, must come.

ing must come.

Pitz realizes that those who decry boxing the loudest are those who have never seen it. Therefore he proposes to have all the timic folk come and be convinced that boxing is a most manly sport and one that should be taught in every household.

hold. Fitz feels confident that the family head who witnessed the bout between himself and Corbett will rush straight-away home and Fick the music and dancing teachers out of his house and forth-with hire a first-class boxing instructor for his children instrad. Not only that the ministers will preach the glories of boxing to their congregations on the very next day they congregate.

But the principal point to be achieved is that the legislators will hasten back to Albany and call a special session for the sole purpose of passing a boxing bill that will legalize the sport, as it was in the olden days.

the sole outpose of passing a boxing bill that will legalize the sport, as it was in the olden days.

For surely "Gentleman Jim" Corbett and Bob Fitzsimmons, who, according to themselves, are the greatest living exporents of the art of boxing, will batter each other up so artistically and so selentifically that even the most possimistic can not fail but be favorably impressed with the art.

When Bob was asked why he did not go ahead and have such an affair arranged in some city where the game is not frowned upon, notably Philadelphia or St. Loris, the lanky one sighed. His philanthropic streak had been offended. "Don't you see," he said, "that my sole object is to benefit some charity? And when I start in to benefit some charity! I don't intend to do it on the Russell Sage plan. No, sir, the Andrew Carnegic plan for mine. No, there will be no library, but I intend that the charity that is benefited shall be benefited to the extent of at least \$100.00.

"Where else in the United States could we draw \$100.000?" Nowhere Hence the answer is New York, I am sure that if the right people take hold of it and convince the public of its purely philanthropic motives, they would take to it segrely, and a permit from the city authorities would be forthcoming."

Yes, if the right man took hold of it there might be a chance, but Richard Croker is in England and Ben Odell has other troubles just now.

Kid McCoy vs. Morgan Williams.

Kid McCoy vs. Morgan Williams.
VICTOR, Uolo, Dec. 26.—Negotiations have been started to arrange a match between Kid McCoy and Morgan Williams to be fought in this city at the Grand opera-acuse. McCoy has been made a good offer and it is thought that possibly he may accept. McCoy was soon in this city in a baxing bout on the Fourth of July six years, ago, when he and several other boxers gave exhibitions in the open air while a big snow-storm was in progress. Williams is in such good shape that his friends here believe that he can hold the scientific Kid level in a twenty-round go.

CHAMPIONSHIP

McGurrins Have Beaten the World.

Charles H. McGurrin's Wonderful Feat With the Typewriter.

Ten Strokes in a Second Is the Speed Attained in the Recent Contest.

The new world's record for endurance established at the typewriting contest held n Madison Square Garden, by Charles II. McGurrin of Kalamazoo, Mich., who was already the world's champion type writer for speed, is of especial interest in Salt Lake for the reason that the winner of the centest is a brother of Frank E McGurrin, the banker of this city, and has many friends here. Charles McGurrin spent the summer of 1903 in Salt Lake nd expects to visit the city ugain the coming summer. He is a court reporter at Kalamazoo and is the fastest stonographer in the world as well as the most tapld typewriter.

Frank Was World's Champion.

Frank E. McGurrin was himself the world's champion in the early days of typewriting. He made in 1889, the record of 179 words a minute. That was before the machines had reached anything like their present state of perfection. But the record stood until about five years ago, when his brother, the present champion, made in England the phenomenal record of 208 words for a single minute.

Is a Terrible Strain.

The record of 125 words a minute for two hours, just made by my brother in New York, is new in respect to keeping it up so long," said F. E. McGurrin yesterday, "That means that the operator must strike the machine an average of ten times a second for two hours. Only when a person tries to make ten distinct movements with his fingers in a second, without reference to the exactness of striking the right lays required in typewriting. out reference to the exactness of striking the right keys required in typewriting, can be realize what it means. It is a great hervous strain upon the operator to keep up that speed for so long a time, and no one but a trained athlete could stand

Called It Impossible.

In an codurance contest in which F E. McGurrin participated in 1888, he wrote an average of 19 words a minute for one hour and a half, a record which stood for several years. When he made the record of 170 words a minute, many of the newspapers of the country questioned the accuracy of the timekeepers taking the position that the alleged feat was a physical impossibility. And yet the record made by Charles McGurrin is 25 per cent better.

CHOKING CATARRH CURED

Mr. Caswell Says, "Hyomei Cured Me."-Your Money Back If It Does Not Cure You.

"Use Hyomel and be cured of catarrh." Is what all who have tried it for that disease say to their friends. O. S. Caswell of North Middleboro, Mass., writes: "Hyomet has relieved me from a choking catarrhal trouble and cleared my head. I am glad to recommend it to my friends."

It is the easiest thing in the world to stop catarrh or a catarrhal cold at its beginning if you use Hyomei. Just breathe the health-giving, balsamic air for a few minutes and your catarrh

ill be cured.
In this and neighboring towns, there are hundreds that can testify to the retarrh. Many of the staunchest friends of this remedy began its use with little hope that they would be cured, but as F. C. Schramm offered to refund the nioney if it did not benefit, they decided to try to on that plan and were seen to try it on that plan, and were soon restored to health.

Flaw in Chadwick Extradition Papers

Sheriff Forced to Telegraph Back to Cleveland for Affidavit and Take Chances.

ALBANY, N. Y., Dec. 26.-Sheriff' Bar ry of Cleveland, O., was refused an extradition warrant for Dr. Leroy S. Chad wick at the Executive chamber here this norning. The ground of refusal was that his papers failed to prove that Dr. Chad-

his papers failed to prove that Dr. Chadwick was in the State of Ohlo March 5, 150, when the forgery of the signature of Andrew Carnegie, in which he is accused of having been concerned with his wife, Mrs. Cassie L. Chadwick, is alleged to have been committed.

Sheriff Barry went on to New York. Sheriff Barry decided not to try to correct his papers now, but to go on to New York and arrest Dr. Chadwick and arrange for his requisition afterwards. Before leaving for New York Sunday the Cleveland Sheriff telegraphed to the Executive department here asking that his papers be prepared so that there might be no delay upon his arrival early today. When the telegram was received Gov. Odeli was at his home in Newburgh and the message was given to his pardon clerk.

pardon clerk Judge Joyce immediately telephoned the Governor and received authority fr bim to deliver the desired warrant ase the application papers were properly frawn up. Sheriff Barry called at the Secutive chamber this morning and pre-cented to Judge Joyce the requisition pa-ers signed by Gov. Herrick of Ohio, ask an extradition warrant to enable to take his prisoner out of New York

When the Sheriff learned that his prois defective he concluded to telegraph have the necessary affidavits pro-ried and sent to him in New York He id that this was a purely formal matpared and sent to him in New York. He said that this was a purely formal matter and that affidavits could be promptly obtained showing that Dr. Chadwick was in Ohio on or about Mirch 5, 196.

The Ohio Sheriff left immediately afterward for New York, where he will wait for Dr. Chadwick on the steamship which is expected Wednesday. He will consult with New York city authorities regarding the best course of procedure. Before leaving Sheriff Barry said that while he was disappointed at not obtaining the requisition warrant at this time the failure would not delay him to any appreciable extent.

MERELY TECHNICAL FLAW.

Proper Affidavit Prepared and Forwarded to the Sheriff.

CLEVELAND, O., Dec. 26.-County CLEVELAND, O., Dec. 28.—County Prosecutor Keeler, when shown the dis-patch from Albany, saying that Sheriff Barry had been refused an extradition warrant for Dr. Chadwick, said: "The papers which Sheriff Barry car-ried to Albany were in regular form and I can not understand why the warrant requested has been refused. It is prob-ably a more teconicality, however, ow-

requested has been refused. It is probably a mere tecnnicality, however, owing to the difference in the laws of New York and Ohio. The requisition as issued by Gov. Herrick explicitly states that Dr. Chadwick is a fugitive from justice in Ohio; that he has been indicted by the grand jury of this county on the charge of forging and uttering a note for \$5.000.000, sumed "Andrew Carnegle;" that the crime was committed in Cuyaloga county Ohio, on March 5, 1903, and that the indictment is sufficient in itself for placing Dr. Chadwick on trial upon the charges named."

Mr. Keeler expressed the belief that the extradition warrant would be eventually granted by the New York authorities.

Upon a telegraphic request from Sher-Upon a telegraphic request from Sheriff Earry today Prosecutor Keeler drew
up an affidavit setting forth that testimony had been adduced, under oath, before the grand jury tending to show that
Leroy S. Chadwick was in this county on
March 5, 1903, upon which date the alleged crime was committed. Mr. Keeler
subsequently swore to this affidavit before a notary public after which it was
at once forwarded to Sheriff Parry at
New York.

Sheriff Will Make It Easy for Dr. Chadwick and Daughter.

NEW YORK, Dec. 26.—Sheriff Barry of Cleveland reached New York this afternoon from Albany, and went to the Hoffman house, where he will remain until the arrival of the steamship Pretoria, which is bringing to this country Dr. Leroy S. Chadwick of Cleveland and his daughter. Miss Mary Chadwick Mr. Barry was not at all disconcerted over his inability to obtain the requisition papers from Gov. Odell which would permit him to take Dr. Chadwick to Ohio. In conversation the Sheriff said.

"I do not find any fault with Judge Joyce in declining to issue the requisition papers. I realize that it is necessary for him to act absolutely in accordance with his interpretation of the law. I decided that it would be better to have the matter straightened out in Cleveland. Prosecutor Keeler has already forwarded to me an affidavit giving me the testimeny before the grand jury lending to show that Dr. Chadwick was in Cuyahoga county, Ohio. on March 5, 1963, upon which date the alleged crime was committed, and this affidavit will be in my hands tomorrow morning.

Richmann, the United States military attaches with Gen. Kuropatkin's army, have
arrived here, making the journey from

they will leave immediately for Washington. Both officers have personally seen
much fighting, having been present at the

the treatment accorded them; but as they
left the front under pledge not to reveal
anything, they consider it would be improper to discuss the military situation.
